

## B&G report to 1<sup>st</sup> Mo 2018

1. Door locks revisited. Kathie Garner talked to A-1 mobil locksmith.
  - a. 3 locks, \$320 and \$2 / key
  - b. keyless \$200 / lock each takes 13 codes
  - c. re-key locks so they work \$110 each – same keys  
visit cost \$50 / ea.

The best solution depends on what problem we want to solve. Is it

- .. occasional difficulty with using front door?
- .. poor security since so many keys are unaccounted for?
- .. other?

2. Long range planning follow-up – elevator to basement, etc. \$30,000 est. for a pit / lift. More follow up needed.
3. Emergency call list – Recommend we use American Mechanical for all emergencies. Bob will post a phone number inside electric box.
4. Next work day March 17
5. Street light in parking area not working – contacted Dominion but no progress.
6. Snow coverage? Tom plowed Sat. 4 PM and did great job. Dave will talk to school.
