

## **Young Friends Report to MFB - January 13, 2019**

**Action:** We continue to look for table and chair replacements for the YF's space. The cost may go a bit above our \$250 budget for 2019, but by less than \$150. Please advise on how to proceed.

All YF's classes are covered for the month of January.

We continue to look for a permanent child caregiver. If any Friend knows of someone who might be interested, please contact Linda Smith.

YF's committee would like to thank everyone who actively supports our Young Friends by lending a helping hand when there is a need.
