Young Friends Report to Meeting for Business
Fourth Month, 4/12/2020

The dynamics of our program has changed to adapt to the current situation.

We have held two Zoom Faith and Play lessons led by Galen, followed by breakout sessions for the children, led by Natalie Bray. These have been positive and caring experiences for us despite the challenges of keeping young children engaged via a virtual means.

Our next Faith and Play program is scheduled for **May 17th.** Whether that will be a Zoom session or Meetinghouse event is still to be determined by the status of the virus situation.
If it is held at the Meetinghouse, a potluck was planned. Stay tuned.

We are hoping to continue the Faith and Play program in the future.
Natalie Bray, Gwynne Wells and Linda Smith are interested in training.
Galen may be able to help us connect to a trainer. If not, we will pursue our options.

Submitted by Linda Smith, Convener of Young Friends
