Meeting for Worship with Attention to Business
Ninth Month 12th, 2021, 1pm
Agenda

Query #2 - Meeting for Worship: Are we faithful in our attendance at meetings for worship and are we careful not to disturb the spirit of the meeting by our late arrival? Is our behavior therein that of open submission to God in silent communion?

Beyond Consensus - Salvaging Sense of the Meeting

by Barry Morley (Pendle Hill, 1993) ISBN 0-87574-307

"Consensus is achieved through a process of reasoning in which reasonable people search for a satisfactory decision. But in seeking the sense of the meeting we open ourselves to being guided to perfect resolution in Light, to a place where we sit in unity in the collective inward Presence. Through consensus we decide it; through sense of the meeting we turn it over, allowing it to be decided."
